TO SAY THE LEAST MOST!

WANNA KNOW ABOUT... YOUR best friend's most embarrassing moment?

We'll give you something to laugh about!!

I JUST TOOK A SHOWER AFTER PRACTICE WHEN I NEEDED A TOWEL, SO I WENT AND ASKED COACH IF THERE WERE ANY MORE TOWELS. WHAT I DIDN'T REALIZE WAS THAT A GROUP OF GIRLS WALKED BY THE LOCKER ROOM WITH THE DOORS OPENED AND NOTICED THAT I WAS NAKED. I FELT VERY EMBARRASSED!

--N.S. ☆☆☆

ONE NIGHT I STAYED AT MOLLY'S AND I HAD A HEADACHE SO SHE GAVE ME A PILL. THE NEXT MORNING I HAD A MAJOR STOMACH ACHE AND I HAD THE SCOOTS ALL DAY LONG AT SCHOOL. IT TURNED OUT, SHE GAVE ME EXLAX. PEOPLE CRACKED ON ME ALL DAY LONG BECAUSE OF IT.

L.BISHOP ☆☆☆☆☆

I WAS WALKING UP THE DOWN SIDE OF THE ESCALATOR IN THE MALL AND TRIED JUMPING A STEP AND FELL DOWN THE STAIRS WITH THE STORE EMPLOYEE AND MANAGEMENT WAITING FOR ME AT THE BOTTOM."

--T.M. ☆☆☆

I WAS IN THE SCHOOL OFFICE, FEELING PRETTY SICK ,AND ALL OF A SUDDEN, OUT OF NOWHERE, I THREW-UP ALL OVER THE STUDENT PHONE IN THE OFFICE. TO THIS DAY, EVERYONE IN THE OFFICE LOOKS AT ME FUNNY WHEN I WALK IN. OH, AND IT WAS NACHO AND CHEESE DAY.

--M.M ☆☆☆☆

I WAS AT J.C PENNEY'S IN THE DRESSING ROOM TRYING ON A DRESS. WHEN I WENT INTO MY INDIVIDUAL CHANGING STALL, I FORGOT TO LOCK THE DOOR. AS I WAS GETTING INTO THE DRESS, I LEANED AGAINST THE DOOR FOR EXTRA SUPPORT. ALL OF THE SUDDEN, MY DOOR FLEW OPEN, AND I FELL ON THE FLOOR. I BARELY HAD ANYTHING ON, AND THERE WAS AN OLD GUY WITH A CANE OUT THERE LAUGHING AT ME.

--M.G. ☆☆☆☆

My most embarrassing moment was longer than a moment. I went to Furtherfest '98 and Ozzfest '98, and only got 5 hours of sleep in 3 days. When I came back, I went to a friend's house and fell asleep for 12 hours. When I woke up, my eyebrows had been shaved off. People teased me about it for 2 months until they grew back. It sucked!!!

Billy Zink ☆☆

I WOULD SAY IT HAD TO BE IN MY SOPHOMORE YEAR. I WAS IN THE MUSICAL, ANYTHING GOES. A FRIEND OF MINE AND I WERE TWO CHINESE BROTHERS WHO GAMBLED PROFUSELY. IN ONE SCENE, WE WERE PLAYING STRIP POKER AND LOST EVERYTHING, NONE OF WHICH WAS SHOWN. IN THE ENDING MOMENTS OF THE PLAY, MY FRIEND AND I BURST ONTO STAGE WEARING ONLY WIGS, SHOES, AND BOXERS. WE PERFORMED THIS THREE NIGHTS IN A ROW."

-- DUSTIN BENNETT

I WAS WATER-SKIING WITH MY FRIENDS FROM MICHIGAN TWO SUMMERS AGO. I WAS IN THE WATER WITH MY SKIS ON AND WHEN THE BOAT BEGAN TO PULL, I FELT THE TOP OF MY SWIM SUIT UNLATCH. THEN, I WAS STANDING UP ON THE SKIS AND THE TOP WAS STILL ON BUT STARTING TO COME UNHOOKED AND WITH A BLAST OF WIND THERE IT WENT AND AT THAT EXACT MOMENT WE PASSED A BOAT WITH 4 **HOT** GUYS AND AN OLD GUY! OF COURSE, I JUMPED BACK INTO THE WATER.

--M.D.

M Y MOST EMBARRASSING MOMENT WAS WHEN THIS GUY AT SCHOOL LIKED ME AND WANTED ME TO ASK HIM TO SADIE HAWKINS. HE HAD HIS MOM CALL ME AND TELL ME TO ASK HIM.

--S.H.

I WAS AT MY EMPLOYEE PICNIC FOR WORK. WE WERE ALL HAVING A WATER FIGHT, AND I HAD MY BATHING SUIT TOP ON AND SHORTS. WELL, SOMEONE DUMPED WATER ON ME SO I WANTED TO GET HIM BACK. BUT, WHEN I WENT TO GET HIM, THE LEFT SIDE OF MY TOP CAME OFF, AND I FLASHED HALF THE PICNIC WITH MY LEFT BOOB.

-- C.T.

M Y MOST EMBARRASSING MOMENT WAS WHEN I WAS RUNNING UP THE STAIRS AND I SLIPPED AND FELL FLAT ON MY FACE. THEN, I WALKED TO CLASS AND PASSED OUT.

--M.R.

I WORE MY HIGH HEELS TO SCHOOL ONE DAY, AND I WAS WALKING DOWN THE STAIRS. I MISSED MY STEP AND STARTED TO FALL; I GRABBED THE PERSON BESIDE ME AND HE FELL, TOO. THE BAD PART ABOUT IT WAS I DIDN'T EVEN KNOW THE PERSON.

-- C.L

M Y MOST EMBARRASSING MOMENT WAS ON MY FIRST DAY OF HIGH SCHOOL WHEN TWO OF MY UPPER CLASSMEN FRIENDS GRABBED MY ANKLES AND HUNG ME UPSIDE DOWN. THEY WERE TRYING TO CLEAN OUT MY POCKETS FOR MONEY AND EVERYONE TURNED AROUND WHEN THEY HEARD ME SCREAMING. TO TOP IT OFF, MY SHIRT WAS COMING UP OVER MY HEAD REVEALING WHAT WAS UNDERNEATH."

LOOK WHO'S TALKING

What do a basketball coach, a WWII veteran, and an EMS nurse have in common? All were speakers at convocations. Ft. Wayne Fury Coach **Keith Smart** spoke on teen abstinence (sponsored by Campaign for Our Kids) and **Mike Cobb**, former Chicago Bear, talked about making the right choices. **Dr. Jack Gren** shared his WWII experiences and honored other veterans. In April of 1999, **Pam Stenzel** gave a "Straight Talk" on teenage sex and abstinence, and **Barb Babb,** a flight nurse, taught the consequences of drinking and driving, sponsored by DeKalb Distributors.

Sebastian Baumgardner, Ryan Epple, and Tyler Allen listened attentively as Mike Cobb discussed goal-setting.

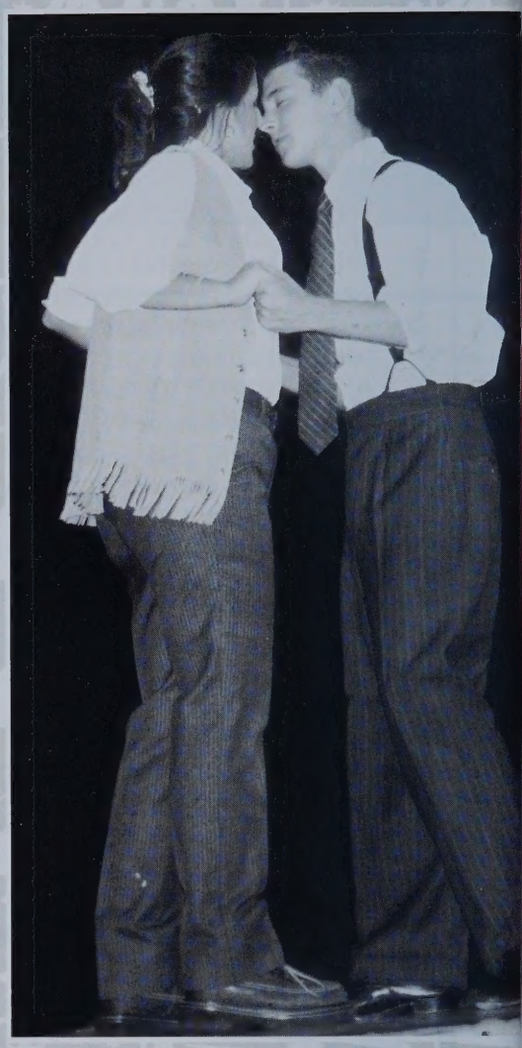
Ryan Epple
"I found the convo insightful, and it got me out of class."

Tony Kapp, Eric Aschleman, Kristi Cain, Sean Middleton, and Brock Barnhart listened to Fury coach Keith Smart as he encouraged students to make the right choices.

Eric Aschleman
"I admired Mr. Smart's morality."

Jon Hoffmeister, Natalie Dannenberg, Noelle Magnuson, Tandi Logan, Megan Cherry, Jana Verhage, Michelle Shippy, Ernest Bonkoski, Jamie Worthington, Shannon Rufner, and Andrea Purdy hung out in the bleachers during a football game.

Jamie Worthington
"I had fun watching the hot guys play football."



"Shall We Dance?"

Tyler Starkey (Bobby Childs) told Heidi Stoy (Polly Baker) "I'm Crazy fo You" with a steamy kiss during the hit spring musical. "Everything seemed worthwhile when we got out there and saw the audience's response. I'll really miss it." -Heidi Stoy

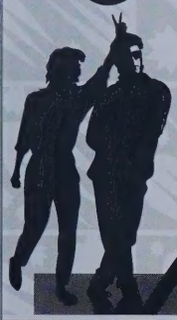
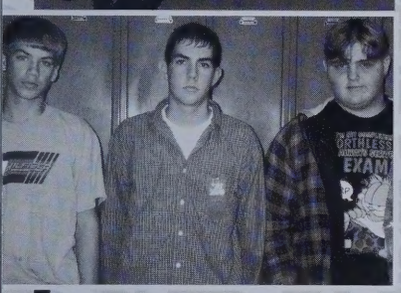
Veterans Day Convo

Emily Turner appeared calm and collected as she led the student body in the Pledge of Allegiance at the Veterans Day Convocation. WWII veteran Jack Gren moved students as he spoke of his duty as a WWII pilot. He told the students; "If you had good eyesight, fast reflexes, a high school diploma, and you were expendable, you were in [the army]."





Ryan Grate, Eldon Byler, and Mike Weathers displayed their "The Choice for Me Is Drug Free!" ribbons during Red Ribbon Week.

Bloodmobile

Tracie Aronen was one of the many individuals who contributed to the success of the bloodmobile in March. Her donation and the donation of others helped save lives.

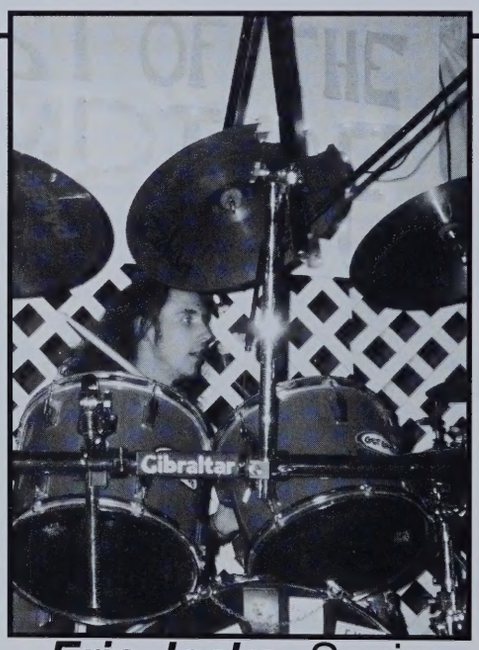
"Even though it took up a lot of Friday evenings, we had fun setting up for the games and helping the team succeed."
-Erika Brown

"I just wanted to help people by donating something I had that others might need."
- Tracie Aronen

Local Band Profile: The Untold Story

Bloodborne

Bloodborne was originally created as a side project for Servants of the Empire drummer Eric Jacko and bassist Ren Healy to play with. But, with the break-up of Servants, Jacko and Ren--along with Mike Gephart and Erik Turner on guitar and Alex Saxer singing--made Bloodborne their main priority.



Mike Gephart--Junior

Guitarist / Back-up vocals

Musical Influences:

Black Sabbath, Slayer, Sepultera, Fear Factory, and many local hardcore bands.

Quote: Music's always been my main passion ever since I got a mini guitar when I was 5 years old.

Eric Jacko--Senior

Drummer

Musical Influences:

Igor Cavalera (Sepultera), Raymond Harrera(Fear Factory), Kevin Cambell-Drumline Instructor.

Quote: Lotta metal, lotta feeling, lotta friends, Be yourself.

Aaron Healy--Senior

Bassist

Musical Influences:

Flea(Red Hot Chilli Peppers Ozzy Osbourne, Fear Factory.

Quote:"I don't want to change the world, I don't want the world to change me."-Ozzy

On November 14th, the Kruse Auction Park hosted a benefit concert for Ben Blair and his family. All proceedes went to Ben's family to help pay for his medical expenses.

Servants of the Empire organized the concert and were the headlining band. Other bands included locals Static Fly, Image, Mob 9, and Surface of South Whitley. Tickets were $5.00 and donations were taken at the concert and all week during school.

DeKalb county residents and students came to see their favorite bands perform and to support Ben Blair.

SERVANTS ⊕F THE EMPIRE

Fest of the Empire

The Ben Blair Benefit Concert

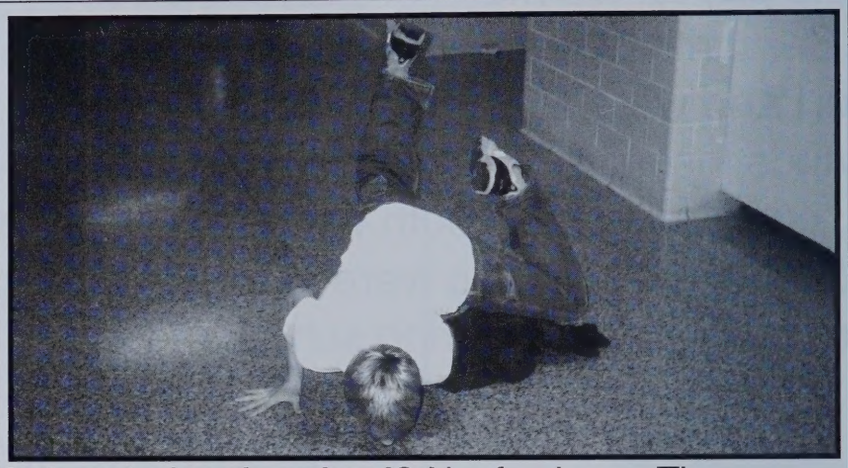
Fest of the Empire was organized by Ren Healy and Eric Jacko of Servants of the Empire. Much like 1997's Metalfest to benefit Brett Gulick, Fest of the Empire was organized by students for a student. The concert was planned to take place in Ren's back yard but insurance was an issue. The idea to rent out Kruse was then brought up and the arrangements were made. Crowd turnout wasn't what was expected because of a minor delay, but over $600 was raised for Ben to help him get better.

Surface of South Whitley traveled to perform and to show their support for Ben.

Local band and DeKalb High School graduates Static Fly warm up backstage before going on stage to play for their fans.

DeKalb: A Year in Music...and Beyond

In every edition of the Saber there has always been a section dedicated to the school band. But, what about the talented musicians of our school that aren't in the Baron Brigade, concert band, or symphonic band? The time has come to showcase the other types of musicians in our school. This section is dedicated to the underclassmen. Also, other pages in the senior section honor those seniors and their unique music styles.



Is break dancing dead? No, freshman Tim Maddox showed his break dancing skills between classes.

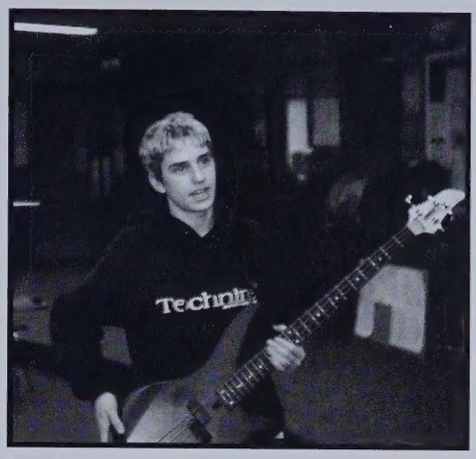
Shaun Loomis
Sophomore
Bass / Guitar
Band: Son of Sam

Musical Influences:
Willie Nelson, System of a Down, Metallica, Megadeath, Black Sabbath

Quote: I've been playing guitar for three years and I still suck!

Unlike past years, DeKalb only had one band that actually played any concerts. Servants of the Empire has been around since 1997 when they played at the annual field day. But, at the beginning of 1999, the band broke up due to internal problems between band members. Drummer Eric Jacko and bassist Ren Healy went on to form Bloodborne with sophomore Mike Gephart.

DeKalb graduates, Static Fly, continue to have success in the local music scene. After putting out their four song demo tape in 1997, they have a full length CD available this year. Good luck to the DeKalb alumni.

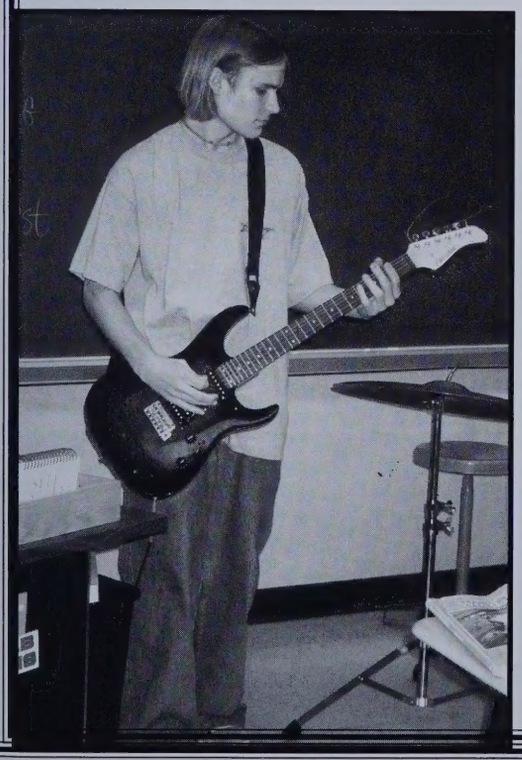


Tim Maddox --Freshman
Bass Guitar and Turntables
Band : Element
Musical Influences:
DJ Q-bert, DJ Format, Taco Pastorious, Marcus Miller, Bootsy Collins

Quote: It's kind of dangerous to be a rapper. Therefore, I'm not; I'm a poet.

Tim Lyne--Junior
Drums, Piano, and Harmonica.
Band: Quiescence
Musical Influences: Cranberries, Delirious, Smashing Pumpkins, Enya, MxPx, Torque
Quote: Music: Melodic Manipulation of Mind and Mood.

What do you think of the local music scene? I think the local music scene is seriously lacking. Fort Wayne is pretty good, but as far as the DeKalb area, we strongly lack quality and original music.



Zach Smith--Junior
Guitar, Bass, Drums, Keyboard, Xylophone, Harmonica
Musical Influences:
Primus, Nine Inch Nails, Stevie Ray Vaughn, Pantera

Quote: Life is full of disturbing things. My eternal escape is music.

How long have you been playing your instrument?
Guitar-2 years, Bass-1 1/2 years, Drums-6 years

What do you think of the local music scene?
I think a lot of the modern rock sounds alike. Growling and screaming in songs makes it intense, but a lot of the bands should use it sparingly.

1999

I left my funloving childhood and learned to become focused in this goofy world of ours, trying to reach that independent state where I could face those daring and exciting moments with a fearless undaunting spirit. Also, I experienced times when my competitive self placed me within talented groups, squelching my cocky nature for the more hardworking kind. Finally, I felt enthusiastic about leaving the confines of DeKalb High School heading for a new life.

SENIORS REVEAL THEIR MORNING ROUNTINE.

WAKING UP WITH...

I wake up at 7:25, smack my alarm, and fall out of bed. Very slowly I grab some clothes, take a shower, and all that good stuff. Then, I eat, brush my teeth, and start my car. I, then, mostly arrive at school when the last bell rings and get dirty looks from my first period teacher. **-Will Loomis**

I set my alarm for 5:30. Get up, shut off my alarm, and promise to only sleep about ten more minutes. I actually wake up at 7:00! I jump out of bed, run down the stairs, and rush my mom out of the bathroom. I take a shower and do my hair. I rush out the door to pick up Shannon in hopes of making it on time to Mr. Barber's class. **-Erin Cox**

I get up at 5:15 every morning. I get in the shower for about 15 minutes. Then, I do my make-up, dry, curl, and style my hair. Around 6:15, I have my breakfast. Before I leave, I brush my teeth, touch up my make-up, and make sure my hair is in place. I leave my house about 6:30 and start my I.C.E. job at 7:00 A.M.

-Shanon Ellert

I like to have fun, and partying is a blast. I like picking on the little freshmen that I know. It is very funny to be a jerk to them. Many of the ones I don't really know hate me and think I am a jerk, but once they know me, they think I am pretty cool! SENIORS RULE. .

-Isaiah LaBrosse

I'm in art club. I like to be "different." I can have big hair. I'm outgoing, friendly, nice, and an all-around wonderful person. I work at Pizza Hut a lot! In my time away from school and work, I see my girlfriend. I spend all my spare time with her. My best friend is Ben Stout. He is cool.

If I could turn back time...

Sara Lepley regretted not always focusing and trying her hardest at her grades. If she had the chance to do it over again, she would study a lot more.

Tonya Armstrong regretted not involving herself in more school activities. She missed out on a lot of fun days and time with friends.

Dustin Bennett regretted not taking the SAT's sooner. He also regretted not realizing future plans soon enough.

Jacob Stackhouse wished there was a Mr. DeKalb pageant he could have won.

Brandon Exford regretted not being a good example of what he believed in during his freshmen and sophomore years. He did not set a good example of a Christian. He is happy to have changed that over his junior and senior years.

Brooke Parker regretted being so shy for her first years of high school. Now she lives life to the fullest and enjoys every minute.

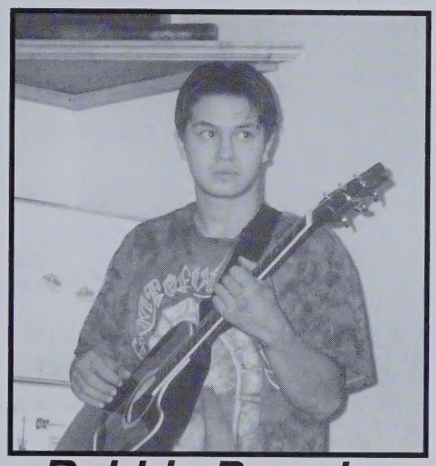
What do you think of the local music scene? There are a lot of good bands around Ft. Wayne that are active. I wish just Auburn's bands would play more. There's some really good talent in Auburn that doesn't get the respect they deserve.



Robbie Peverly
Drums, Guitar,Bass
Band: Major 3rd
Musical Influences
Eric Clapton, Rush, Dave Matthews Band, AC/DC, Jimi Hendrix, Cream
Quote: Music used to be really good and then things got bad, but I think that things are starting to improve.

....Tyler Starkey made students, friends and relatives laugh, cry, and remember with his intention speech.
....Emily Turner brought back memories when she had the honor of saying good-bye to the class of 1999.
....As Eric Trapp recognized the academic honors , each senior recipient stood proudly.
....Sarah Hundagen was pleased to introduce the afternoon's alumni speaker, Patti Allison.

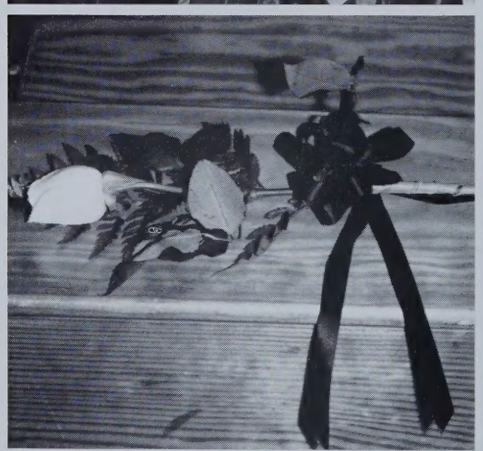
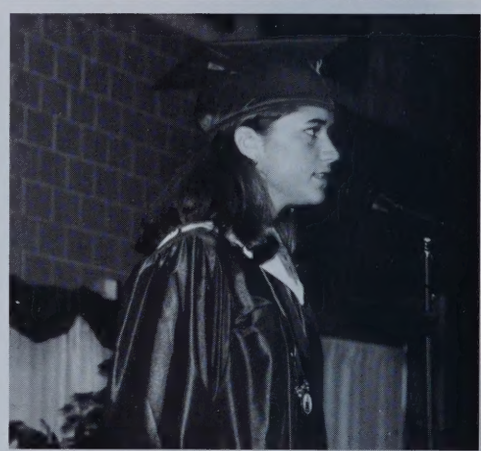
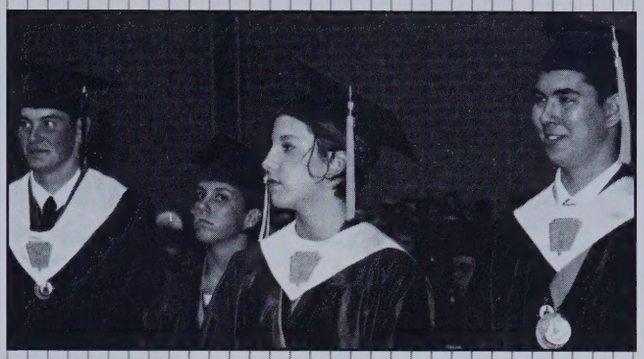
....Each senior girl carried a single white rose throughout graduation.
....What an exciting day for these seniors who were thinking about the future and the past.





Heidi Stoy and Tyler Starkey sing the Star Spangled Banner to open the ceremony.



Academic honors recipients Mike Carper, Korri Clark, Sonja Basinger, and Matt Baysinger stood as their names were called for recognition.

Kristen Schenker said "good-bye to high school" with one of her many friends after graduation.

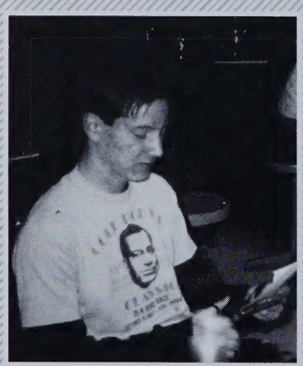
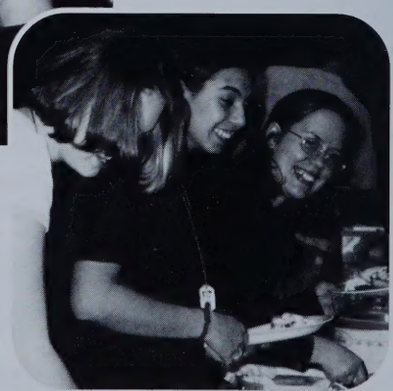
PEOPLE

Gone...

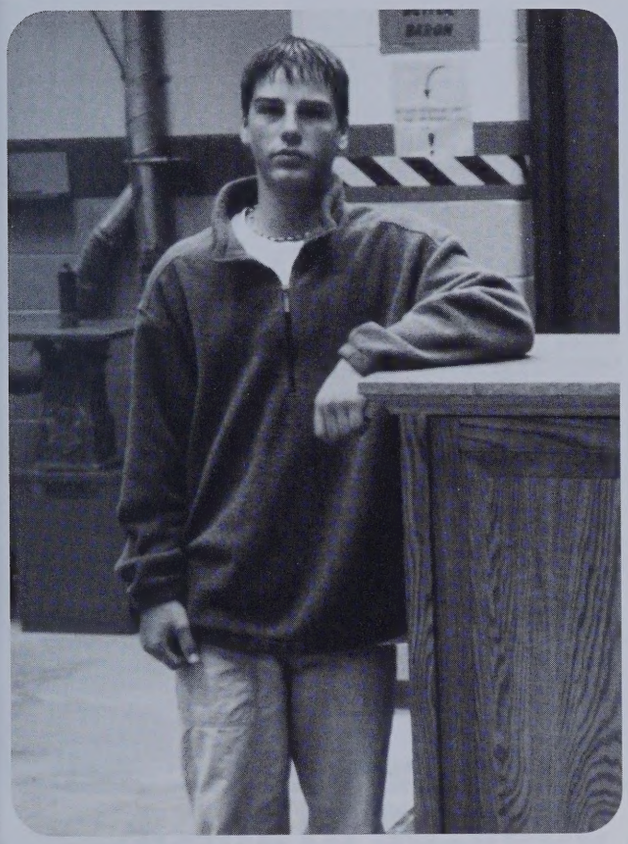
During our time at DeKalb, we make friends not only in our own class but in the other grades. These friends, whether they are older or younger, leave us with an impression. Some we may forget as soon as school gets out, but others will remain our friends for a lifetime. On the following pages are these friends. Whether they change, drift away, or remain close, we'll never forget the good times we shared.



Junior Scott Wolff is making the grade on his biology project.



...But Not Forgotten!!!



Byran McDaniel would like to be Becca and Ruth Marquardt's adopted brother.

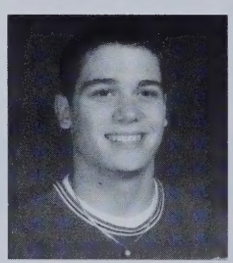
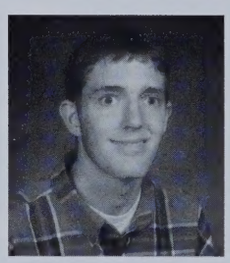
These students think SPORTS are a BIG part of DeKalb High School!



Jake Myers



Geoff Henderson

"I had a great season this year both individually and as a team member. I ran a P.R. of 16:13, placed 63 at state, and earned all-confrence, all-sectional, and honorable mention at state. We won the Snider Invitational and traveled to Bloomington where we did very well despite the heat. I have been working hard in hopes of a scholarship to Indiana University. I will probably run there even if I get a scholarship or not.

-Jordan Shown

Jackie Smith

"Our team improved dramatically which makes everyone progress individually. I had a great year. Coach Vick had me hitting opposite and running slides which gave me a lot of skills. All I can remember is the Whitko Tournament. We kicked some major butt that day! No one expected us to win; I guess we were the under dogs. I'm definitely looking for a volleyball scholarship. I've been working on it for the past 4 years, and I have one more year to try." -Carrie Flanagan

In Loving Memory
of
Kelly Renee' Mossbarger

July 1, 1981 - June 6, 1998

Don't grieve for me, for now I'm free, I'm following the path God laid for me. I took his hand when I heard him call, I turned my back and left it all.

My life's been full, I savored much, good friends, good times, a loved one's touch. Take it from me, do not speed, choose your friends wisely, and you'll have peace.

The driver, I did not choose, had been doing drugs, and was driving way too fast. In a blink of an eye, my dreams had passed.

Lift up your hearts and share with me, God wanted me now, he set me free.

With love to all,

Kelly

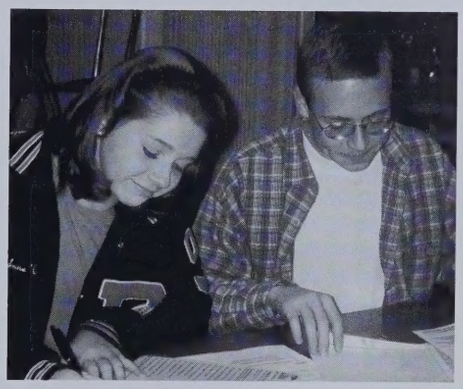
The Sophomore Scene

Brian Jordan and Sadie Bishop proudly displayed their projects for Flowers for Algernon, which many sophomores were required to read for English classes.

Kim Dilley shared her artistic talent with the young at the fall Art Extravaganza.

(below)
Anne Ward and Andrew Wappes were hard at work studying...or, at least, pretending to study.

(above)
Lyndsey Johnson and Stacy Scheibelhut loved that locker scene. What mischief were they up to this time?



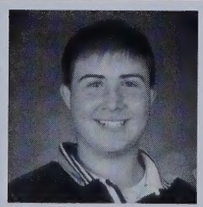
"You can quote me on that!"

(favorite sophomore quotes)

Lyndsey Johnson

"Normal is a setting on a washing machine."

Joe Morgan



"I've always enjoyed Quantum Television's take on life-Choose wisely. Live well."

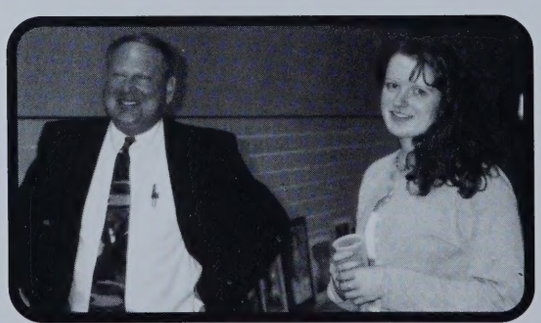
change in the air...

DeKalb's new principal is familiar face. With the promotion of our former principal, Mr. Hummer, to transportation director for the district, Mr. Rod Knox moved up from assistant principal to principal. Our former associate principal, Mr. Helfrich, became assistant principal, and Mrs. Gordon, a familiar faculty member, our new associate principal. DeKalb adjusted well to the changes made at the helm, and we welcomed our new administration!

Immortalized in...cereal? A portrait of Mr. Knox made with Cheerios and Fruit Loops was created by art students. What a good sport!

It looks like Mrs. Gordon won the school spirit prize at this football game!



Mr. Helfrich with junior Alicia South wondered if he would be the next administrator immortalized in a cereal mozaic...Wheaties, maybe!

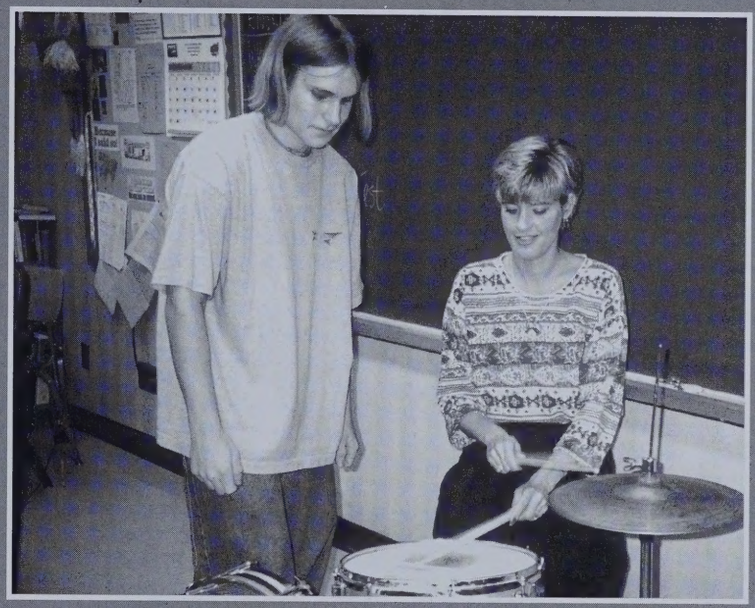
TEACHERS ON THE JOB

"Santa Claus" (a.k.a. Mr. Schlemmer) sported a new look at the Christmas convo; he roared into the gym on a motorcycle!

Music just comes naturally to some people, as Mrs. Williams proved to Zach Smith.



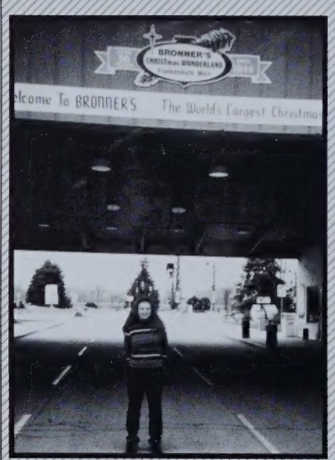
It looks like Mrs. Weber and her student teacher, Miss Ball, were enjoying their work together.

Mrs. Kirkton was involved with a parent at parent/teacher night.

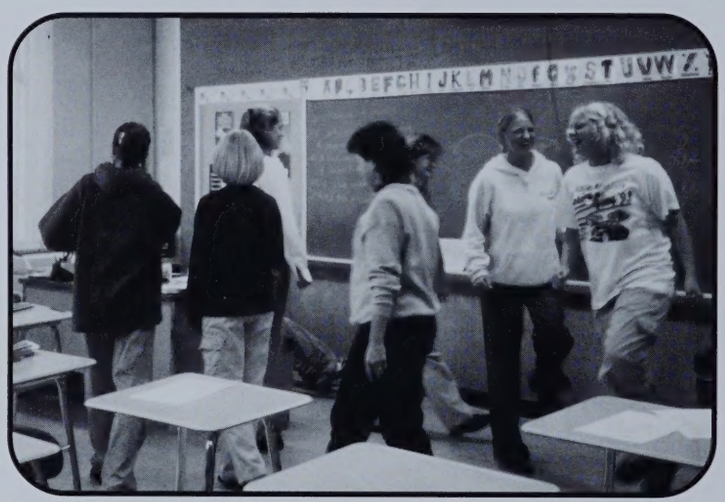
Week In/ Week Out

Gone...

There is a lot more to school than just books and sports. This section shows all the activities that occupy students throughout the year, from musical moments to academic successes to hands-on learning experiences. These activities enrich students' minds, build character and friendships, and teach skills that will last a lifetime.



On the annual German class field trip, German foreign exchange student Nina Heussen stood at the entrance of Bronner's Christmas Wonderland in Frankenmuth, MI. "It was interesting to see how Americans portrayed Germans," Nina said.



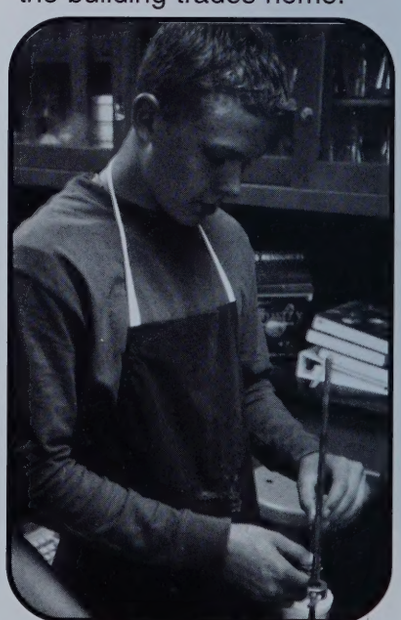
Mrs. Pfister led her French students in a spirited march. ^

^ Tyler Cleverly wielded his hammer and balanced precariously in the rafters of the building trades home.

German students Cory Reed, Eric Trapp, Dustin Bennett, and Andrew Hodges got rowdy (with root beer)! >

< These show choir students entertained the Adopt-A-Kids.

Sophomore > Michael Keesler concentrated on getting his equipment just right in Mr. Ternet's Chemistry I class.



...But Not Forgotten!!!

SCIENCE

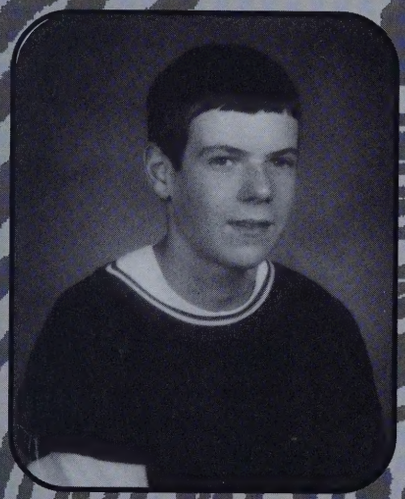
Science classes were very busy this year. Field trips included IPFW to view human cadavers, a visit to Sam Rhine, and the physics trip to Cedar Point. Among the things dissected this year were cats, sheep brains, worms, cow eyes, and cow hearts. (Lunch, anyone?) Other classes did regular and computer-based labs.

Many students participated in the DeKalb Central Science Fair this February. Winners included Jennifer Conrad, Brian Gallagher, Alec Marin, Matt Morrow, Aaron Starkey, and Tyler Starkey. The overall best projects in the high school division were as follows: first place, Matt Morrow; second place, Aaron Starkey; and third place, Tyler Starkey.

Students went on to the Tri-State Regional Science Fair in Angola in March and received first place. They were Tyler Starkey, chemistry; Alec Marin, earth & space; Brian Gallagher, math & computers; and Jennifer Conrad, behavioral science. Other winners included Matt Morrow, Tim Mercer, Aaron Starkey, Andrew Hodges, Emily Blackwell, Anne Ward, David Massey, Jessica Lehtinen, and Will Turner.

Aaron Starkey was selected to go to the International Science and Engineering Fair in Philadelphia in May. Aaron and Brian Gallagher were both selected to attend the Hoosier Science and Engineering Fair in Indianapolis in March.

There's a little Einstein in everyone of us...



Jennifer Conrad, DeKalb's Behavioral Science winner, explained her project: "I tested different people to see if they would have brain interference when they read words printed in different colors. Most of the people I tested did."

Matt Morrow, whose project was rated first place at the DeKalb Science Fair, said his favorite part of the fair was presenting his projects and the awards. "I tested different lenses to see which lens provided the most protection against UV light. I did this by using bacteria, because UV light kills bacteria."

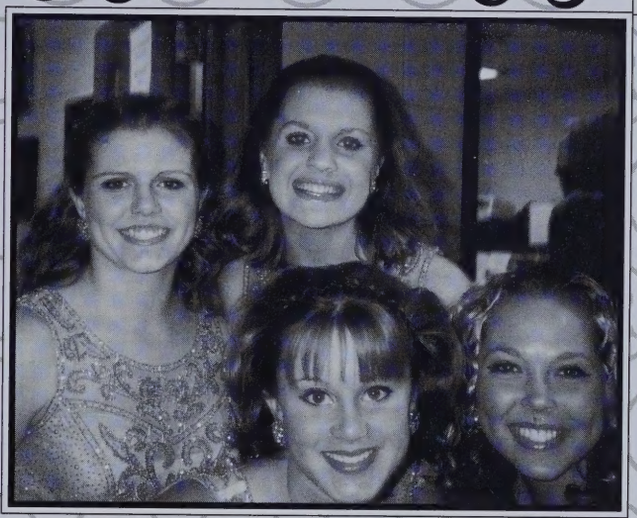
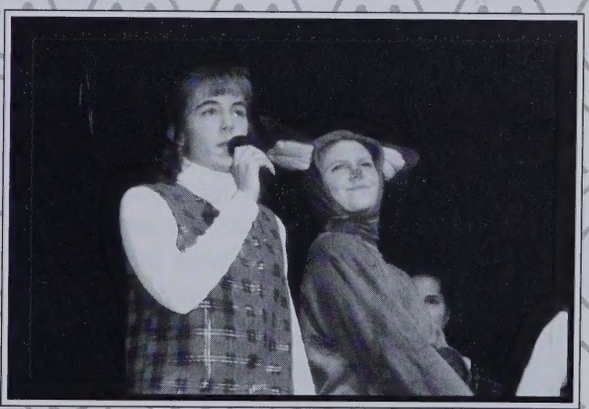
MEMORIES MAKE SMILES.



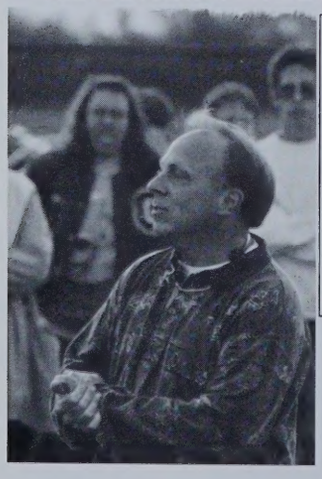


The low brass is the support of the band. Here the three tubas of Brandon Gentis, T.J. Blaugh, and George Harvey kept their horns up high to emphasize the sound.

Carissa Thrush, senior drum major, directed the last song of the band's show and kept the band motivated during hard times. Here she directed the band which was working to clean up a section.

Danielle Clark perfomed her fluent motions during the homecoming half-time show.

Tye Myers had a little fun for the last run through before the regional pep rally.



Mr. K's wise words to band parents are always uplifting, and the community thanks them for their effort.

Baron Brigade

"District Champs" but no visit to the Dome

A Season to Remember

The Baron Brigade started their 1998 season with a bang, beating the Concord Marching Minutemen at the season opener at Carroll High School, which set the stage for a great and successful season.

The band competed at three invitationals before winning District contest for only the second time in DeKalb High School history, beating the band's historic rival, the East Noble Marching Knights.

After District, the band competed at Homestead, winning for the third time in 1998. Going into Regional at Elkhart Central High School, every member's sights were set on the ISSMA State Finals in the RCA Dome.

Their hopes were destroyed when the band placed sixth, just nine tenths of a point from fifth, the last transfer place. Officially, the band did place 11th in the state in Class B.

As most bands would be dragged down by the devastation, the Baron Brigade proved they could do the impossible. They came back at 10:30 P.M. to march the show one more time, proving they were the **real** champions.

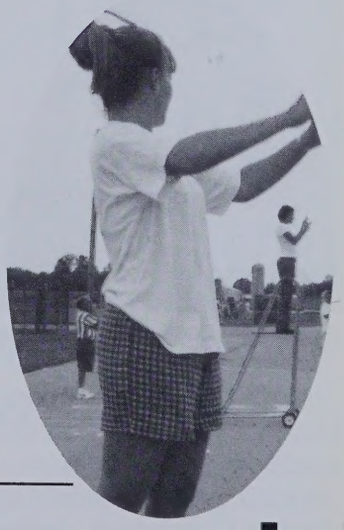
"My most memorable moments were the thrills of winning Districts in 1996 and defeating Concord in 1998."

-Erin Mapes
Trumpet Section Leader

"You don't realize what you have until it's all over."

-Brandon Gentis
Tuba Section Leader

The three drum majors worked to keep the band together. The drum majors of 1998 were Stef Scheumann, Carissa Thrush, and Chris Hansen.



The trumpets and the rest of the Baron Brigade played the school song as the Baron football team stormed the field before the game started.

Musical Chairs

Symphonic and Concert Bands

Many musicians from the 1999 concert season earned recognition for their outstanding accomplishments. A total of nine members were chosen to participate in several honor bands. Joe Morgan was selected to be in the All State Band and All State Orchestra. The IPFW Tri-State Honor Band selected Sarah Farver, Matt Fike, Joe Morgan, and Carter Shepherd. Sarah Farver, Matt Fike, Adrienne Surfus, and Andrew Wappes were chosen to be in the Indiana State University Honor Band. Pat Close was selected to be in the Ball State University Honor Band, and three members were selected to march in the Indianapolis 500 Parade: Travis Beaty, Alex Donaldson, and Sarah Farver. Several awards were given out at awards night including the most prestigious award, the John Phillip Sousa Award. This award was given to Andrew Hodges for 1999. Mr. K Bids Farewell

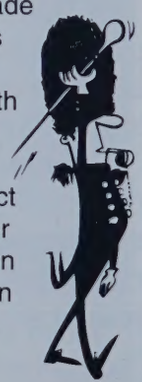
After 17 years of directing the Baron Brigade, Mr. Karkosky resigned his position at DeKalb High School to take a position at NHC rival Carroll High School. Mr. K took the Baron Brigade from nothing to state material in his career at DeKalb. While he was here, the bands placed 5th once, 7th three times, 8th once, 9th once, and 10th three times at state competition. He also led the band to their first ever district championship in 1996 and then again in 1998. His career at DeKalb helped him become one of the most well-known and outstanding directors in Indiana and helped the Baron Brigade become one of the best bands in the state.



Alex Donaldson(second from left), Erin Mapes, and Joe Morgan seemed to be hyper after receiving a first division on their trumpet trio at state solo and ensemble contest.

"Once in our lives we meet great people who influence us. To me, Mr. K is one of those people." *-Carissa Thrush*

Seniors Dan Maddox and Jodi Steinhoff learned the firing process.

Deadlines! Deadlines! Deadlines! Deadlines! The DeKalb Baron Saber Staff had to meet deadlines that no other people could meet. Some staff came in before school and after school, met their deadlines in order to bring the students and faculty the best yearbook ever. Saber advisor, Ms. Tubergen, also went beyond her call of duty to help the staff with their pages. "Teamwork was a big concern early in the year; however, we came through later in the year," said Brian Days. "We were like a big family." Vanessa was a naughty child at times, but she came through when times were tough.

The staff had their fun along with the work. They had arm wrestling competitions like no other. Ming Ling won the boys division, as Brian Days came in a close second. "Ming isn't that tough, but my arm went numb after a few matches," claimed Days. Angie Mapes won the girls division after defeating Brooke Parker in a two out of three dual. "She wasn't much competition," gloated Mapes.

The Staff also had a Christmas exchange. "I didn't get the car that I was expecting from Brooke," said Vanessa Weimer. Awards night at Pizza Hut was fun!

CADET teaching >>

Below: Jill Brinkman was one of seven cadet teaching students who volunteered with Northeastern Center. Students traveled to surrounding elementary schools to perform different puppet shows for third graders. These shows consisted of different situations kids face everyday. The kids were taught problem-solving techniques.

What's up, Doc?

HOE students learned about healthcare hands-on

For three hours a day, this select group of students went on rotations at various healthcare facilities and shared their experiences in the classroom. Here's what some of them had to say:

Anna Smith: "We got to experience so many different things."

Sarah Hundagen: "I liked seeing all the different parts of the hospital."

Jacob R. Coxl: "I thought it would help me on my voyage to a medical career."

Sonja Baysinger: "It's an excellent program. The operating room was awesome!"

Jake Stackhouse: "We developed close relationships with patients and, more important, with each other."

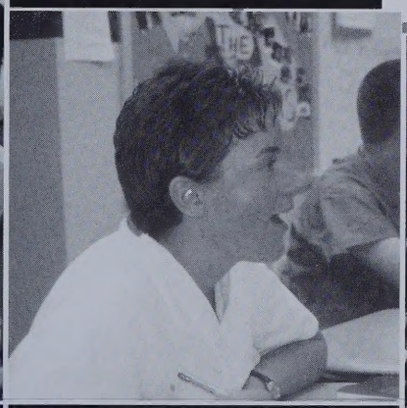
Maria Recker: "I liked dancing in the E.R."

Jamie Worthington: "HOE allowed you to bond with classmates more than any other class."

Sara Harp: "I wished we had all day."

Is this patient delirious? No, it was Sonja Baysinger enjoying her part in the "mock disaster"!

Jake Stackhouse and Jon Hoffmeister shared jokes in class. Jon said he joined HOE because he "liked blood!"



Sarah Buch's was enthused! She stated, "HOE is like a family. Everyone is close and fun to work with."

The year brought some impressive awards and honors that presented our school with $8,100 for improved ISTEP scores and attendance, $6100 in Einstein grants, and $3000 in DEKKO Excellence in Teaching awards to Mrs. Cone, Mrs. Pitzer, and Mrs. Cooper.

The year brought a number of changes to the building as a new fire alarm system was installed, security measures were taken throughout the building, and stairwell carpet was removed and replaced with a mural in the process of being contructed by art students. Also, DeKalb High School was chosen as a site for a new program--Pathways to College-- which will assist our students with career planning using on and off-site technology.

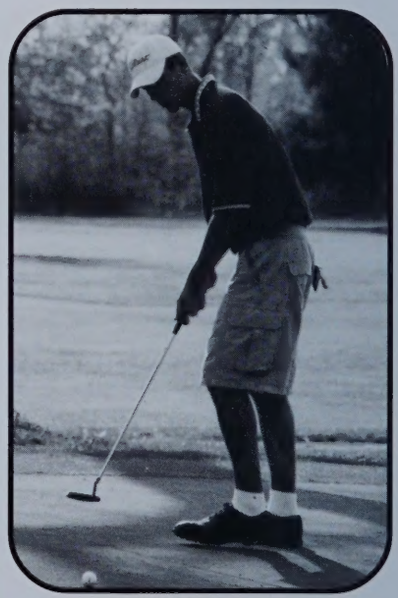
Sports

Gone...

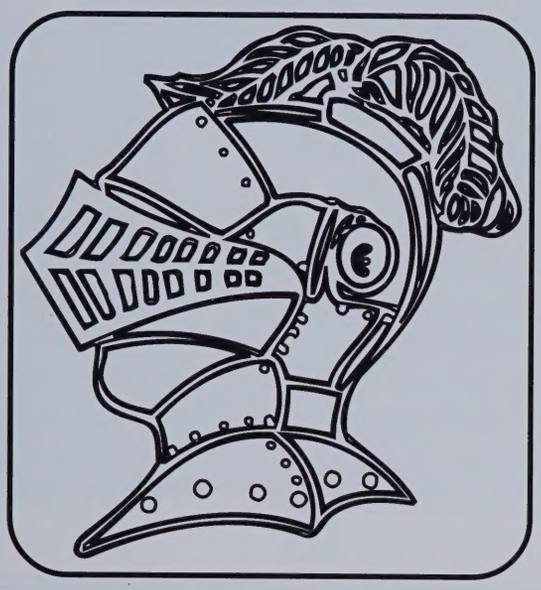
Being in sports is a great learning experience for the future. When playing sports, an athlete learns about victories, disappointments, leadership, teamwork, and hard work, just to name a few. Some people play for the competition and others play just for the fun of it. No matter why, there will be many memories that will last for life, memories from winning the conference championship or memories from practices that made an athlete good enough to play for the conference championship.

After a tough home meet, the Baron gymnasts dig down deep for some extra energy to enjoy drinks and eat some snacks before they found out their placings.



Jill Farlow
"I'm very proud of all the girls on the cross country team this year! It was a wonderful group to be a part of, and I wish the season hadn't gone by so fast. Everyone worked extremely hard, and we had a great season."

...But Not Forgot ;en!!!



Maria Recker, with mother Marty Recker and Coach of The Year Mark Rohm, signed a letter of intent with the Michigan State basketball program. Maria led her team to win the NHC Championship. Recker made First Team All Conference and averaged 18.9 ppg.; she had 137 total rebounds and 31 3-pointers on the season.

The Lady Baron soccer season was full of fun and memories throughout the season, including having the most wins in their three years of competition with 6, the most goals scored in a season with 22, four shutouts, finishing fourth in conference, and going on a four game win streak with only allowing one goal in the streak.

Although the Barons only won three games, they played with a lot of heart and played great defense. DeKalb held #1 in the state, Goshen, to 21 points. Goshen didn't score after the first quarter.

The offensive line lead by seniors Aaron Kock, Mike Carper, and Jon Nolan paved the way for running back Adam Harrel to become the 5th leading rusher for career yardage in DeKalb history. Adam led the team in tackles with 110 and rushing with 886 yards on 158 attempts. Ming Ling led the conference in tackles for loss with 13. Brad Gulick led the team with 3 interceptions and 216 yards on 19 catches. Jarrod Phillips led the team with 831 yards passing on 63 completions out of 170 attempts.

"The 1998 season was a season with a lot of ups and downs. But, the Baron players stuck together throughout each game," said Head Coach Mike Cochran.

BOYS SOCCER

This year the boys soccer team made it all the way to the regional finals where they lost that game against the Carroll Chargers 0-2. This year the Barons finished the season with a 4-3 record in the conference and 13-6-1 overall. They allowed only 34 goals all season and scored 54 goals themselves . Out of those 54 goals scored for the Barons, 27 of them were scored by the combined efforts of the two leading scorers this season, Aaron Lochner with 14 and Brant Reynolds with 13.

The Barons will be losing some key members of their team next year such as 3rd highest scorer, Adam Miller; Aaron Strawser, lead scorer; and Aaron Lochner, Dan Maddox, and a few others. However, they will still have some important people like Brant Reynolds, the second highest scorer. One of the highlights of the year, though, was the construction and use of their new field.

When the clock ticked down the final seconds of the sectional finals and your team was up by 1 against a tough Westview team, **Aaron Lochner,** a midfielder for the Barons, said that the only thing he was thinking about was "... a great accomplishment. Now let's see if we can get regionals." Lochner got the Barons started on the offensive against Westview by scoring the first goal for the Barons. Unfortunately, the Barons fell the next week to the Carroll Chargers 2-0 in the regional finals.

Aaron Lochner, Senior

Aaron led the team with 14 goals, playing at the midfield position. His accomplishments were finishing with a winning season and winning sectional. "This season was great; we won sectionals, and we had the best season in school history. It was fun."

Adam Miller, Senior

Adam Miller had 10 goals during the season, the 3rd highest number of goals. "If Aaron Strawser had not scored a personal high 2 goals, the season would have not been complete." One of Adam's big accomplishments this season was having the best record in the history of DeKalb.

This year was a great year for the girls soccer team; they finished the year with a 8-6-2 record, the best in DeKalb's history of girls soccer. This season was very special to the senior girls who helped shape girls soccer at DeKalb. This year the girls soccer team won twice as many games as the first and second years combined.

The team lost eleven seniors including the starting goalie, a big part of the team. Luckily, this team had some underclass talent to fall on such as all-time leading scorer ,Sarah Linstromberg and assist leaders Abby Mitchell, Jennifer Vazquez, and striker Alison Bercaw.

Also, another big milestone for the girls soccer team was that this season, for the first time, the *Journal Gazette* ranked the DeKalb girls soccer team tenth in the area; that was their first ranking ever.

Alison Bercaw worked against a defender trying to break free for the score.

Laura Fischer broke free from a defender and shot up the field as her defender tried to catch up.

The girls played very hard at sectionals, held at Noble Hawk, and received 2nd place which moved them on to the regionals. They pulled off 3rd place at regionals and made it to state. When the lady golfers got to semi-state at Prestwick, they aimed for ninth place or higher and came away tied for 9th. They returned to state on Saturday which was rained out. The Lady Barons went back to Prestwick to compete on Monday and ended the season ranked 10th in the state. With only one senior, Maria McComb, the Baron gymnastics program was filled with three juniors, six sophomores,and two freshmen--a young team.

However, Coach Becky Smith put together a 13-1 team that could be just as good next season. "We only had one senior this year. Maria McComb, a DeKalb gymnast all four years, was a great asset for leadership and her smiles will be missed," said Coach Smith.

As a team, the Baron gymnasts placed 3rd in sectionals and, later, placed 4th at regionals. The Barons left their mark at the Logansport Invitational. DeKalb placed first in 6 events. Brittany Springer placed first in floor, beam, and all-around. Jenny Conrad placed first or vault. Stacy Spornhauer placed first on bars. In addition to coaching high school wrestling, Coach Blackburn heads up the freestyle program at DeKalb.

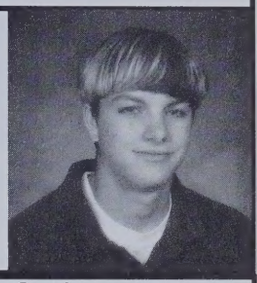
TOP DOG AWARD

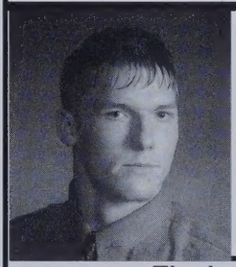
Joe Stuckey, Junior

Joe wrestled the 215 pound weight class and accomplished his goal of having a winning record, which was a big accomplishment for Joe. Joe loves to wrestle and plans to wrestle the 99-00 season at the 215 pound weight class again, only he plans to get further.

Travis Sibery, Junior

Travis wrestled the 119 pound weight class, taking 2nd at sectionals and qualified for regionals, which was not what he expected. He felt that he should have done better. Travis's goal is to go to state. He believes that to always be in better shape than your opponent and being aggressive is the key to winning matches.



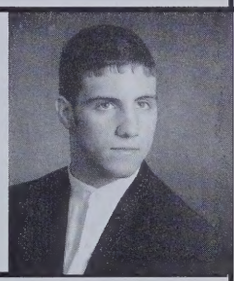


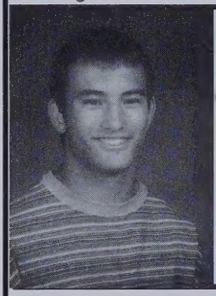
Adam Harrel, Senior

Adam had a good start, considering he started late do to the fact that he was uncertain whether or not he was going to wrestle. Finally, after about 7 matches into the season, he decided to make the right decision and joined. Although Adam had a late start, he had a great season being conference champ, sectional champ, regional qualifier, and semi-state qualifier. This was not good enough for Harrel because his goal was to go to state. Adam doesn't expect to wrestle in college.

Tim Lavin, Senior

Knowing that it was his last year, Tim gave it his all for the sport that he loved most. Fighting his weight almost all year, Tim wrestled at the 145 pound weight class. His goals for the seaon were to win 15 matches and advance to semi-state. Unfortunately, he fell a little short by qualifying for regionals. Tim was also co-captain of the team. "As a team we started slow, but we came on really strong at sectionals."



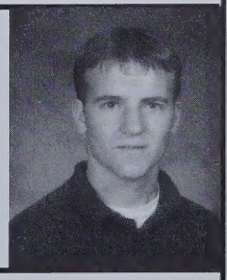


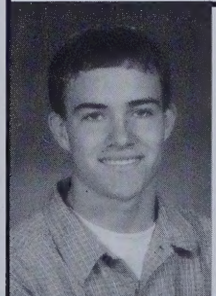
Ming Ling, Junior

This year Ming wrestled the 171 lb. weight class. He got all the way to the second round of semi-state where, he believes, poor officiating cost him the match in overtime. Ming's only goal this year was to go to state. If he loses in the 99-00 season, it will be because he really couldn't beat his opponent, not because he's tired or because he didn't know what to do. Ming's goals are to, at least, make it to state and, hopefully, place high.

Matt Buchs, Junior

This was Matt's first year back since his break from the 97-98 season , and he did much better than most expected. He did better than his goal and went all the way to semi-state. Matt was proud of the compliment given to Coach Blackburn from one of the other coaches-- "What got into your program this week? I wish our team had the enthusiasm and determination like yours."





Justin Scheumann, Sophomore

This year Justin wrestled the 140 lb. weight class. He was a sectional champion, a regional and semi-state qualifier, and only a sophomore. He plans to make it to state for the 99-00 season. This season his main goal was to get to regionals.

Beth Coffin swam near her season's best in the 100 backstroke while recovering from mono. All of this was accomplished in spite of the loss of practices and meets in January due to the snow storms," said Coach Hamman.

Janelle Slone set new records for both the 6 dive and 11 dive scores. For 6 dives Janelle scored 166.10 points at the Angola, and for 11 dives she scored 175.70 at sectionals.

Rebecca Marquardt, Ruthanne Marquardt, Alyson Reger, and Libby Cyran knew that team support at Homestead for the conference meet was important.

Alyson Reger, Freshman

What do you remember most about swimming for DeKalb?

What I remember most about swimming is the week when all of the freshman had to wear different things to school, such as a towel and goggles, miss-match clothes, and backwards clothes. I was so glad when that week was over.

Cristina Lacy, Sophomore

What was your favorite meet this year?

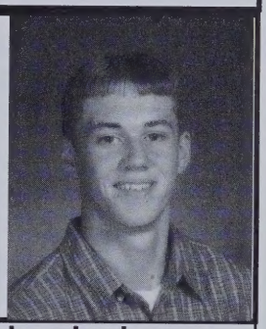
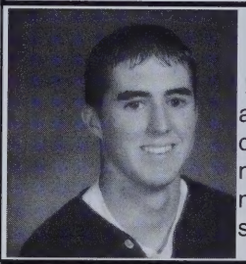
Some of Chad's biggest accomplishments were to go to state again, to finish sixth in the state as a team, and be on the top ten list of runners ever to pass through DeKalb. Chad believed that his performance his final year was satisfying, and he was happy with the results.

Ryan Johnson, Sophomore

Ryan was running some great times, but when it came down to conference, Ryan found out he had mono and couldn't run. But , the hardest thing he had to overcome was the pressure of competition and the expectations of himself and others; he has taught himself to concentrate and be mentally tough.



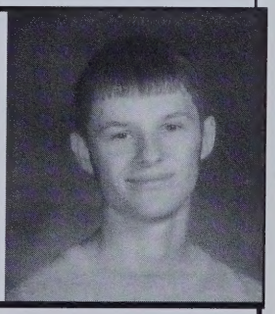


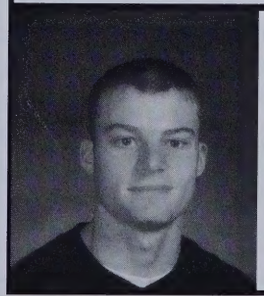
Anthony Wagler, Junior

Anthony achieved his goal by jumping an average height of about 12'6". He believes he could be jumping 15', and that is his goal for next year. Another one of Anthony's achievements was jumping his highest height all season at 13' at sectional when it meant most.

Scott Pankop, Sophomore

With a lot of hard work and dedication, Scott was able to accomplish two goals , lower times in the 100 and 200. His goals for next year are to win the 100 and 200 at conference and sectional, place in the top three at regional, and go on to state.





Andrew Smith, Junior

This year was Andrew's first year of track at DeKalb. He liked the fact that "there are no officials or refs to ruin it. It's just pure athletic ability." Andrew was also able to obtain a varsity spot and was seeded 13th at the sectional meet and placed 7th with his personal record.

Without seniors on this Baron score card, DeKalb looked to junior Luke Gafken and a sophomore Kyle Roark for answers. And, as it turned out, they led the Barons to third place in the NHC. "We had a very good season with having only 2 past letter winners (Gafken & Roark) with varsity experience in '98," said Coach Tony Konieczki. The team also placed 4th at the Bruin Invite out of 20 teams. At the Concordia Invitational the team placed 4th again out of 20 teams. To end the season, the Barons placed 5th of 15 teams at sectionals. Coach Konieczki stated, "We should be a very strong, competitive team in 2000." This is the team to beat in 2000.

What? were they thinking

When you go to the team tryouts and see no senior leadership because there are no seniors on the team. Well, that was the dilemma facing Coach Konieczki and the Baron golf team for the 1999 season. When asked if it was hard to find leadership, Matt Buchs stated, "Yes, in the beginning, we didn't have real solid play from anyone, but as the year progressed the leaders stood out. The season was ok, but we didn't finish like we thought we would. We aren't losing anyone, so we will be very strong next year."

Player percentages

The 1999 Barons had a very good season, ending with a 5-2 record in conference and placing 5th at sectionals as a team. However, according to Coach Konieczki, the 2000 team will be even better.

The Lady Baron softball team was better than ever and proved it. The Barons set a new school record for the most wins in a season with 25. Their season was not only action packed, but it was also packed with injuries.

Starting catcher Stef Scheumann had the best season of her life until a season ending ACL tear. Rachel Greenfield broke her finger and was out for a few games along with backup catcher Lou Reel, who had a minor concussion after Reel illegally collided with an opposing player at homeplate. Coach Steve Harp stated, "Seniors Sara Harp and Krissy Reel led the way and will be missed very much." However, the Barons will be fully loaded next season with great athletes.

Top: Krissy Reel gets congratulated after hitting a homer.
Bottom: Speedy Sara Harp slided in safely under the tag.

What were they thinking

when your catcher Stef Scheumann was injured?

Michelle Shippy said, "...when we found out about her ACL being torn, I was just worried about who could take over such a great catcher's spot." Krissy Reel said, "I was used to Stef catching for me... My sister stepped in and did a great job as a freshman." Stef added, "I continued to go to all the games and supported the team. It was hard for me not being able to play, but I was still a part of the team. I was able to give confidence to some of the younger players, and I helped keep the girls psyched about the game."

"We had a great season with our 25 wins and a conference championship. With an outstanding nucleus of juniors, sophomores and freshmen coming back, we look forward to having another great season next year."

Stef had a terrific season. She had a .579 batting average and threw out ten of eleven steal attempts. Though her season was cut short due to an injury against Garrett, she was able to give confidence to the younger players.
